AREA OFFICER REPORTS

AREA DELEGATE'S REPORT

Dear Georgia Al-anon,

The theme for this newsletter is “Happy to Serve”. I am happy to serve as your Delegate. Why? Because serving with the members of Al-Anon is fun and meaningful. When I attend conference in April, I will have the opportunity to brag on Georgia Al-Anon by giving our Area Highlights. As I put together our accomplishments I sat up a little prouder and was amazed at how much dedication and talent we have in Georgia. It is amazing what we can do when we work together. Here are the accomplishments of Georgia Al-Anon over the past year.

The following Thought and Task Forces have either completed or continue their work: *Attracting New Members to Alateen in Georgia;* **IN THIS ISSUE:**

The Structure of the Alateen Program at Assembly Level to Support the Expansion and Strength of Alateen in Georgia; Area Service Descriptions for Officers and Coordinators; Working Definition for the Policy Committee; The Effectiveness of Funding of and Service Opportunities for the Assembly Hospitality Room; and Reorganizing to Separate Legal (Corporation) from Spiritual (Assembly).

Delegate's Report (Cont.)

Georgia Al-Anon helped host more than 57,000 members of A.A. and Al-Anon at the 2015 A.A. International Convention. We greeted guests with Southern hospitality and helped them find their way around before and during the convention. This required recruiting and training approximately 500 Al-Anon volunteers.

In conjunction with the A.A. International Convention, our Public Outreach Committee implemented a billboard project placing ads in and around Atlanta. The PO project continues and is looking to expand into three other areas around the state. One district launched a 3-month outreach project placing ads in movie theaters.

Our website was redesigned to include maps to meetings and a password-protected members' area with access to information such as the Group Records Update/Change form, Alateen forms, AMIAS Handbook, and where to send donations for our different service arms. Georgia Alateen groups grew by 4 this year for a total of 22 groups, 3 of which are held in schools.

The 2016-2018 Area 11 Al-Anon/Alateen Assembly Information and Archives Booklet was compiled and distributed to all Assembly members. This booklet provides information about officers' and coordinators' job descriptions, motions and recommendations from January 1983 through September of 2015, and the *Policy and Procedure Manual* for Assembly.

Our biggest challenge is finding members willing and able to serve throughout the links of service.

I look forward to serving beside you this term and all the things our Higher Power has in store for each of us as individuals and as an Area.

Happy to Serve,
Renelle M.
Delegate, Panel 56

Alternate Delegate's Report

What an exciting Assembly we are planning for May! I hope everyone can attend and join in as we celebrate Al-Anon's 65th Anniversary. We are planning special festive and historical activities. Be sure to check your agenda when it comes out because we will be starting the celebration a little early on Saturday night. You won't want to miss this Assembly! I would like to encourage all members to consider a donation to Al-Anon to celebrate its anniversary by donating \$1 for each Al-Anon anniversary you have had. What a wonderful way to honor our beautiful program and ensure its continued presence by giving \$1 for every year of recovery we have experienced! You can do this by going to our www.al-anon.org/members site and clicking on the **Contribute Now** button at top right of screen. Click on birthday contribution, enter amount, and add to cart. Birthday envelopes can also be ordered for free. From the on-line Shop, click on Other Materials, and Birthday Envelopes (E-1). The Individual Contribution envelopes (E-5) are also free (They have a shoe on them for Lois throwing her shoe at Bill).

I would like to extend a challenge to all individuals and groups in our area to get their own *Forum* subscription if they don't already have one. My home group voted to pay for a *Forum* subscription starting in March when the free group subscription from WSO expires. We give older copies to newcomers after everyone has had a chance to borrow the group copy. I keep some *Forums* in a tote bag that I carry into my meetings in case someone needs one. Our service manual describes the *Forum* as, "The Voice of the Fellowship". Please read, use, and share our voice!

Love in service,

Barbara T.
Alternate Delegate
Panel 56

Area Treasurer's Report

Hello to all my Al-Anon Family,

I can still hardly believe I am writing to you as your Area Treasurer. Last September, I was sitting at Assembly thinking this would be the last time I would be there for awhile. I would come to a few Assemblies in the coming years and sit in the back and watch others serve. Of course, I had forgotten my Higher Power has a wicked sense of humor. A GR from my District leaned over and said "You must stand for Treasurer!" Now I have to say there must have been this horrified look on my face, because she then added, "We need you, my Higher Power told me you would be a good Treasurer." I felt the color leave my face as I sat there absorbing this minefield of a quote. I was completely speechless and I think I actually started to hyperventilate. All my fears and insecurities came roaring to the forefront as the "committee" in my head began a major meeting. What in the world possessed this GR to even think I was even capable of doing a job I knew had to be complex.

This program has taught me to be quiet before immediately answering back to any question or statement that is, in my mind, contentious. As I mentally raced to all the reasons why this was impossible, I finally heard the one thing that left no doubt - "Her Higher Power told her". I know that in all the years I have been in this program, I have developed a high trust in a God of my understanding. This concrete belief has also expanded into my Higher Power speaking to me through other people. I had a tremendous awakening as I sat there thinking. If I believed this and believed my GR's Higher Power was speaking to me, I had to seriously consider this request. I was deeply humbled and grateful for having this revelation. It will always be one of the important milestones in my life with Al-Anon, and I thank you for that.

In closing, I would like to thank all the groups for their continued support to the Area. Through your support, Area 11 remains healthy and fully self-supporting. As a small reminder, all contributions can be mailed to:

***AFG of GA, Inc
PO Box 7644
Macon, GA 31209-7644***

Thank you for all your support, comforting words and the opportunity to serve.

Love in Service,

***Katherine N.
Area Treasurer
Panel 56***

Area Office Chair

News From Your Georgia Central Services Office

We are on the move and making progress! The GACS Office Committee is taking steps to better serve our Area and members and has initiated several new processes to help meet this goal.

One of these is to streamline how we receive and send out literature orders from members, so that we can be more organized and get orders filled and shipped in a more timely manner. So, beginning **March 15, 2016** this is the new process:

Deadline to Submit orders: No later than **3:00p.m. Tuesday** of each week- We will ship all orders received on Tuesdays by Friday of each week.

How to Submit Orders: An order form must accompany each order. Order

forms are available on the GA Al-Anon website under "Area Office" "Literature order options." We can also mail forms to members and/or groups with their orders. We suggest you make copies for future orders.

Members/Groups can submit their orders 2 ways:

Email: Email with order form attached. Email all orders to: orderlit1@gmail.com please do **NOT** send orders to officearea11@gmail.com

U.S. Mail : Send with order form. Mail form to:
Georgia Al-Anon Central Services
2733 Sheraton Drive, Ste. F-160
Macon, GA. 31204

Very Important! Please make sure you include on all checks/money orders the name of the group or group number and a contact phone number.

We hope this new process will allow us to better serve you. Thanks in advance for your patience during this transition.

Yours In Service,
Char
Chair –GACS Office, Panel 56

Area Secretary's Report

Hello to my Al-Anon Family,

I first want to say how excited and honored I am for the opportunity to serve as your Area Secretary for Panel 56. I think we are in for a lot of fun as we journey together in our new positions.

Service is such an important part of my recovery. I came into the program wanting a quick fix on my life with an alcoholic. I certainly was not prepared for what I got.

As I attended the meetings I found out very quickly that if I wanted to get better I needed to get busy. As I got busy I noticed that some things began to take shape and I started enjoying my life again. I read the literature and surrounded myself with my Al-Anon family that I adore being with and life was so much better. After awhile I became willing to serve my group and district and because of these things, I was no longer a lost soul. I am ***Happy to Serve!***

It is the Al-Anon program that teaches me self-care, self-worth and self-love and it's what started the process of putting all those broken pieces back into place. Things did not happen fast, but gradually. The more involved I got and the more I worked the Al-Anon program, the better I got.

I did find that sponsor you all told me about and she certainly knows how to straighten me out when needed. She's there for me through thick and thin and now I am so grateful you encouraged me find her. I can't imagine my life without her in it.

On another note, as your Area Secretary, I want to let you all know that the DRs will receive the AWSC and Assembly minutes within two-weeks following the meetings. It is important that the minutes are available to you when you are preparing for a district or a group conscience meeting. All Assembly minutes will be posted on the Georgia Al-Anon member's website as well.

DRs, if for any reason you do not receive the minutes by e-mail, please contact me and I will be glad to look into why you are not receiving them. My contact information can be found in the Georgia Area Directory.

It is with love and gratitude that I serve you!

Kathy W.
Area Secretary, Panel 56

Service Corner: Happy to Serve

Happy to Serve---

As I write this article for our first newsletter of Panel 56, I am smiling because almost 23 years ago when I walked into the Al-Anon room, I had no idea what this program was about or how it could possibly help me. All I knew at that moment was that I was desperate for help and that a stranger suggested that I try this meeting. Only because of God's grace was I able to commit to attending 2 meetings weekly, which soon grew to 4 meetings weekly, then to 6 meetings each week. I quickly was able to "help" by putting out and taking up the books and other material. It never dawned on me that "my helping" was going to be a key to my recovery. I didn't even realize that it was called "service!"

I became literature chairman for one of the groups that I attended, but later, I became GR for my home group. Becoming the GR introduced me to District and Area service and with each position that I have been elected to serve, it certainly has helped me to become the person God created me to be. I continue to serve and I'm "happy to serve," because serving gives me the opportunity to work with incredible people. Assembly meetings and the AWSC meetings are so much fun because I'm with family.

I am grateful to the Georgia members for the opportunity to serve this term as their Area Chairman. I look forward to the next 3 years.

With love,

Cathy O
GA Area Chairman, Panel 56
WSD, Panel 53

Service Corner: Happy to Serve (continued)

After ten years in Al-Anon I made the decision to 'let someone else do' service, and for the next two years I was not involved in service beyond the group level. Even at that level all I did was an occasional share.

I had the opportunity to talk with our co-founder, Lois W. on many occasions and in 1985 I told her how my recovery was not what it used to be. Her words to me: "Lyn you have dropped one of your biggest tools of recovery you have. You have dropped service."

Since that time I have been involved in service. It continues to be my best 'tool'. My hope is that it becomes yours, too.

Lyn Dewsnap, District 1

Serve? SERVE??? Who?? ME??
I'd be willing; but, I'm inadequate, incapable, too new, have too much chaos at home, AND I'm not technically savvy. That's what I thought (still do sometimes!).

At the onset of my service journey I thought I "had to have" a cell phone- I didn't have one. I served anyway. I thought I "had to have" a computer. I didn't have one. I thought, for sure, THAT ruled me out for most service work- it didn't. I'm serving anyway. In fact, I've been blessed to be able to serve in many different capacities.

I am not totally "old school" or "living in the dark ages" as some might think. I am able to use a computer at the library or a friend's home.

I do have email on my android phone and I have two "happy to serve" computer buddies : one who forwards emails to the GRS and the other does the printing that is needed. I have learned that I am never in it alone. Al-Anon is a WE program! The only thing that limits my ability to contribute to Al-Anon service is me. My stinking thinking, my lack of confidence, my feelings of unworthiness, and my lack of trust in my Higher Power.

I am so grateful for the power to say "Yes. I'm happy to serve!"

Guess what? Nowhere is it said "Be perfect. Then serve." Anyone of us can be "happy to serve" - just as we are, right where we are.

Try it. You might like it!!

Diane K—District 17

Area Coordinator's Reports

Area Alateen Process Person's Report

I am excited and honored to be asked to fill the position of AAPP and am looking forward to continued service in Georgia Al-Anon. I am getting familiar with my duties and working on the preliminaries necessary to move forward. The annual Al-Anon Members Involved in Alateen Service (AMIAS) Re-Certification Process is beginning and the next few months will be pretty busy with mail-outs, collecting information, submitting information, training, meeting deadlines, and various other forms of communication.

Several new applications have been received and Georgia Alateen is growing. Should any of you who are reading this be interested in becoming involved with Alateen (or if you know someone who is interested), please contact me and let's GROW Georgia Alateen along with enhancing our own personal recovery. The rewards are endless!

You may contact me at www.ga-al-anon.org ("Contact Us" "Coordinators" "AAPP"). I look forward to hearing from you.

Love and Hugs in Al-Anon/Alateen Service.
Cynthia S.
AAPP, Panel 56

Alateen Coordinator's Report

Hello Georgia AFG,

It's hard to believe I've been in your new Area Alateen Coordinator only 2 months. It feels like 6. As Coordinator, I've been learning lots, yet there is so much more to learn. I had my 1st conference call with WSO in January. I've actually written my 1st request for input to other Area Alateen Coordinators via AFG Connect and even responded to others.

Probably one of the more important things to let everyone know is WSO has posted an Alateen survey on their web site. They are requesting all Alateen members log onto al-anon.org/members, click on **Surveys for Members** under the **"individual"** tab, then click the link **2016 Alateen Survey**. The survey will be available from March 1, 2016 to March 20, 2016. Group Sponsors this is for you....They also suggest that if the facility where the Alateen meeting takes place has Wi-Fi available, to consider bringing a device to the meeting to help Alateens respond to the survey. What a great idea!!

May's assembly promises to be full. Besides workshops for the Alateens, not only will we be having AMIAS training, but also the Sponsor-to-Sponsor workshop which we unfortunately had to cut out at our last Assembly.

I'm so excited to continue the work of past Area Alateen Coordinators. As the slogan says, "Together We Can Make It." I'm especially looking forward to the teens' and other AMIAS's input on how to grow Alateen in GA and most importantly, input and support from my H.P.

Love and Gratitude in Service,

Lauren M
Area Alateen Coordinator, Panel 56

Archivist Coordinator's Report

Greetings All,

Here is what's been happening:

I am excited to share that Conner suggested and volunteered to take photos of the Alateen quilts. A brilliant idea to share these works: Alateen Recovery Quilts! It makes me smile... Thank you Conner! Al-Anon/Alateen in Georgia has a rich history... though honestly to find it takes some digging. My goal for this panel is to make our history more accessible and user-friendly. I will be working on obtaining designated space for artifacts and ephemera available

for perusal at Assembly. Another opportunity to enhance our appreciation of our history is to make it user friendly...i.e. searchable... This project was begun during the last Assembly Panel; I will continue working to get the program working for us. One of my particular interests is to have the Assembly Motions in a searchable format. Alas, that is nowhere close to a goal I can hope to accomplish without help, and to that end I have already taken the sage suggestion of Tradition 8 which says that I don't have to do it alone: and I have help. Making Motions searchable will initially be focused on what's current, working backwards

through the Archive Booklet.

Another project I am looking forward to is working with Area Office Chair, Char to pull together a display for our Celebration of Al-Anon's 65 Years in May. Y'all come!

With Love and Gratitude in Service
Marie Neese
Archivist, Panel 56

Group Records Coordinator's Report

Our term has started with a bang!

I have had many opportunities to help people get the records correct and reflect the changes in their groups. This has been a challenge to keep up with the inflow of the GR-1 form updates. But I have found that service is always "a good thing." I've learned to pace myself and not to respond **instantaneously** to every e-mail that I get. I have learned that I can ask for help. I have realized that people are doing the best that they can and sometimes they just need a little help understanding "the process."

I look forward to helping our state keep the records and the web site listings up-to-date.

Patrick B
Group Records Coordinator - Area 11 - GA
Panel 56

Literature Coordinator's Report

Greetings to all from your new Area Literature Coordinator. Well, we've got the January Assembly under our belts for Panel 56. I wouldn't mind bouncing around to "Happy" again. Our Literature Room managed to do most of the right things and we sold approximately \$1800 of books and pamphlets. We did run out of a few items and I hope to correct that for our May Assembly. Group orders for pick-up/payment at Assembly are encouraged as it speeds the checkout process and also lessens the likelihood that we will run out of certain books/pamphlets in the Literature Room. Please get your orders in to the Georgia Area Central Services (GACS) office by Monday or Tuesday of the week of Assembly (preferably earlier) so the order can be timely processed.

Electronic Literature continues to expand. Currently available e-literature includes *Alateen: Hope for Children of Alcoholics* (eB3), *Courage to Change* (eB16), *Having Had a Spiritual Awakening*, (eB-25), *How Al-Anon Works* (eB-22), and the *Forum Magazine*. You can find information on these publications on the WSO website (www.al-anon.org), but to order, you will need to contact your electronic media provider. When searching for Al-Anon e-literature, if you query under "Al-Anon Family Groups" you can find all Al-Anon publications available from that provider.

You can still order *Al-Anon Faces Alcoholism 2016* from WSO, but remember that it is also available in its entirety on the WSO website. Another group resource is the growing number of podcasts on the WSO website. There are now podcasts addressing all 12 steps, sponsorship, common concerns, and introductions to meetings. The 2015 Membership Survey is also available on the WSO website. Also available are research/survey documents addressing topics such as Readiness for Step Twelve, AFG Newcomers and Members, Who Stays and Who Drops Out, and Concerns About Drinkers in Their Lives.

WSO continues to seek sharings from members for possible inclusion in three upcoming publications, our as yet unnamed new daily reader, "Intimacy in Alcoholic Relationships", and "Parents and Grandparents of Young Problem Drinkers". Writing Guidelines and submission information are available on the WSO website.

The 2015 World Conference Summary contains a wealth of information, but often is not in stock in our Literature Distributions Centers. One suggestion: reach out to your outgoing Panel 53 District Representatives to see if they are willing to part with the copy they have.

If anyone is conducting a workshop based on or focusing on a particular piece of Conference Approved Literature, please email me a heads-up prior to assembly so that I can have sufficient copies available for sale in the Literature Room.

Please feel free to contact me with questions about Al-Anon literature and also observations about what I can do to make the Literature Room at assembly a better experience. You can email any of the Coordinators from the Area 11 website Contact Section (www.ga-al-anon.org).

See you in May at Assembly!

Regards,

Philip A.-Area 11 Literature Coordinator, Panel 56

Newsletter Coordinator's Report

I would like to offer a special thank you to everyone who contributed to this first Newsletter for Panel 56. It has been fun reaching out to all of the Area Officers, Coordinators, DRs, and past Officers, Delegates and Trustees. I had some surprising and delightful exchanges with members of Area 11.

For those of you who don't know, Georgia Area 11 publishes a newsletter 3 times a year. The newsletter is primarily composed of news from the Officers, Coordinators, and DRs about what is happening in Al-Anon throughout Georgia and beyond. It is one way we use the *Links of Service* to share our Districts' Al-Anon celebrations, projects, growth, and even our reasons to grieve. We also have a *Service Corner* for sharings on a specified service topic. This year we are focusing our service topics on our Assembly Themes. This newsletter edition contains some sharings on *Happy to Serve*. Future topics include *Joyous from Trusting the God of Your Understanding* and *Free to Choose Recovery by Building Stronger Groups*.

As part of my job, I have the opportunity to learn how to navigate Microsoft Publisher. I am happy to say, so far, so good! I am immensely grateful that everyone sent items to me in a format that has been easy for me to input into Publisher!

I look forward to hearing more from everyone as the next three years unfold.

Thank you for letting me be your Newsletter Coordinator.

Happy to serve,

Anne M-Newsletter Coordinator, Panel 56

Public Outreach Coordinator's Report

On the billboard project, we have just entered into an agreement for the month of March into the beginning of April for LED locations in Augusta & Columbus. Attached are the locations. (See the billboard photos at the end of the newsletter.) The billboards are PSA's that will rotate so please look for them if you are in the area.

Following the March billboards, we are evaluating the remaining budget and will make decisions for the next area based on funds available. Additionally, we are looking to fill one more Public Outreach Committee position. If you have a passion for this area, please email me directly.

As always ideas for public outreach projects, or just great stories of what you are doing in your district are always welcome. Let's keep living Step 12 through public outreach!

Lys H.
Public Outreach Coordinator
Panel 56

Webmaster Coordinator's Report

Web Coordinator report: As your newly appointed webmaster, I have not completed any duties as of the time of this writing. As many of you know, Patrick assured the new webmaster a training session and we have not been able to get together yet. Say a prayer!!! I told y'all after I stood for Convention chair years ago that I heard Vicki make the statement that if you only stand for what you know you can do, you don't give God a chance to show out. Well, God is really going to have to show out with this position. One of the duties that I have as webmaster that I will definitely need your help with reads as follows: **Seek Trusted Servants at Large who have a high level of IT knowledge and experience.** If you are one of these trusted servants or know some in your District, please contact/have them contact me. I'm going to need lots of grace as I find my way, but I know I will learn so much this term!!!

I look forward to serving you as your webmaster and look forward to seeing you in May.

Alecia C.
Area Webmaster, Panel 56

From the Area Al-Anon Convention Chair

SURRENDER IN SAVANNAH!

The 2016 Al-Anon/Alateen with AA Support Convention is fast approaching! It will be held August 12-14, 2016 in Savannah this year at the Hyatt Regency Hotel in the heart of downtown Savannah. The program is nearly completed and we are getting more excited by the minute.

We are planning to have a Sunday morning Sunrise Workshop on the Beach at Tybee Island for those early risers who would like to get in some beach time while here on the coast. The workshops are coming together, although we are still looking for people who would be willing to lead those workshops. If you are interested in serving as a workshop leader, please contact Kristin Lee, Convention Chair, at kristinlee823@gmail.com.

One thing that will be different at this Convention is that unfortunately, the hotel will not allow us to bring in outside food and beverages to a Convention Hospitality Room. This means you should not expect to eat granola bars at a hospitality room for breakfast. We are working on providing snacks and beverages through the hotel in a Hospitality area, but as you can imagine, the cost is really astronomical. That's why we are asking groups and districts to donate money to the Convention this year. If we can increase our budget through donations, we can provide better refreshments from the hotel. Donations can be mailed to Georgia AFG Convention, P.O. Box 5033, Savannah Georgia 31414.

Registrations for Convention are available on the Georgia AFG web cite at <http://ga-alanon.org/events/>.

DISTRICT NEWS

District Two

We have been Happy to Serve in District 2. Over the past few months, we have planned and held a great workshop *Al-Anon: A Journey of Hope*. We had over 70 attendees, which was a great turn out. Moving forward our District hopes to create an Events Committee that will be tasked with creating and facilitating all of the events that we hope to have in 2016. Some of the ideas for events are having pot-lucks, picnics and potentially some dances. We look forward to what is to come in 2016.

Susie W, DR, District 2

District Three

The 2016 Al-Anon/Alateen Convention has been the big focus for District 3 lately. The Convention is being held in Savannah, August 12-14, 2016. The District has been actively working on fund-raising ideas for the Convention. On February 6, we had a district-wide craft day to make items for the Convention Boutique. We had two sewing machines and one ironing board working full-time, along with lots of fabric, craft paper and ribbons with a crew of about 12 people working together. We made cloth book covers, book marks, survival bracelets, and other items that will be for sale at the Boutique at the August Convention. It was so successful and so fun that the group wanted to do another craft day, so we've scheduled another get together for April.

We are also working on a District-wide garage sale which will be held sometime this Spring. The proceeds from the sale will also go to the 2016 Convention. We are taking donations from all groups' members for what will be a large community-wide sale. What a great way to clean out your closets and garages of those items you just don't need anymore. We'll let you all know how well the sale goes!

Kristen, DR, District 3

District Four

Hello Area 11!

District 4 has a lot of excitement churning! We had a District Workshop on intimacy that was held March 5, entitled "I Got You Babe". It was lead by Jenny L. and Erica C. It included a covered dish meal and a scavenger hunt through the literature.

District Four (continued)

We are having an ongoing conversation in District 4 about ideas for outreach, workshops, and anything that will get members outside of their meetings. Some exciting ideas are popping up and I can't wait to share them as they begin to take some real shape. We are ready for some excitement and growth!

The Making Our Own Serenity Everyday Alateen group in Warner Robins is thriving well. There is a consistent core of about 8-10 teens attending regularly. The group held an open house earlier in February that had about 25 people in attendance, including parents and faculty from a local high school. The support and interest were overwhelming.

The Northside Alateen group will soon be active again. We have 2 AMIAS who have stepped up and are enthusiastic to help facilitate a meeting in Macon.

Gratitude in service,
Jenny L., District 4

District Six

District 6 has a new group, Brunswick Tuesday Night AFG. Their first meeting was March 3rd. We now have 14 active groups.

In January, Brunswick Courage to Change AFG celebrated their second anniversary. Triangle AFG in Waycross also had a birthday in February.

Our district is now in the process of planning a 65th Al-Anon Birthday bash, thanks to GR Tina D. of the Camden Serenity AFG who has taken this event on.

Our groups are steady with Al-Anon attendance and looking forward to May's assembly.

Debbie P.
DR District 6

District Ten

Exciting News from District 10!!!

We have a new meeting that just began on February 7. Please come and check us out! Our name is "Subject To Change AFG." We meet at Stone Mountain First United Methodist Church, 5312 W. Mountain Street, Stone Mountain, GA 30083 every Sunday at 6pm. We have a speaker the second Sunday of every month!

Also, our "Saturday Morning Serenity" group celebrated their 10th Anniversary on February 27th. We had a great turn out and got to enjoy some great fellowship and celebration. We were
