## AREA OFFICER REPORTS

### Delegate's Report

Dear Georgia Al-anon,

This year's World Service Conference Theme was "Realizing Our Spiritual Potential." Serving these first 6 months as your Delegate I have been thinking about this theme and what it means in my life. When I first came to Al-Anon I had been beaten down by the family disease of alcoholism. I was hurt, angry, withdrawn, and extremely shy. I didn't want to be here, yet I had nowhere else to go. My family was falling apart and I was scared and felt all alone. The only potential I could see was one of failure. Al-Anon gave me hope. It opened my eyes to new attitudes and new friends. I slowly began to heal. I went from being withdrawn to learning how to reach out for help by calling other members. They shared their experience, strength, and hope with me. I went from being alone and frightened to having friends and gaining new insights. I went from a place of despair to having a vision of hope. Then it was suggested that I start giving back to the program. In giving back I began to have a sense of self worth.

Today I continue to grow through being of service to others. I believe my Higher Power provides me with service positions because they present me with opportunities to learn how to be less than perfect in front of a group of people who love and accept me. Through the guidance, encouragement, and support of others, I am able to grow and learn new skills by applying our Steps, Traditions, and Concepts in difficult situations. I have learned that it is important for me not to isolate while in service. I must still reach out to my HP and those Trusted Servants who came before me and ask for help.

## **Delegate's Report (continued)**

I am so grateful for the opportunities that continue to stretch me and teach me about the love and understanding that I only experience in the rooms of Al-Anon. I am still uncovering my spiritual potential as I grow into the person I was created to be. Today I no longer feel like a failure. Today I feel that I am worthy of love and loving. Thank you Georgia Al-Anon, together we can make it.

Love in Service,  
Renelle Mathis  
Delegate  
Panel 56

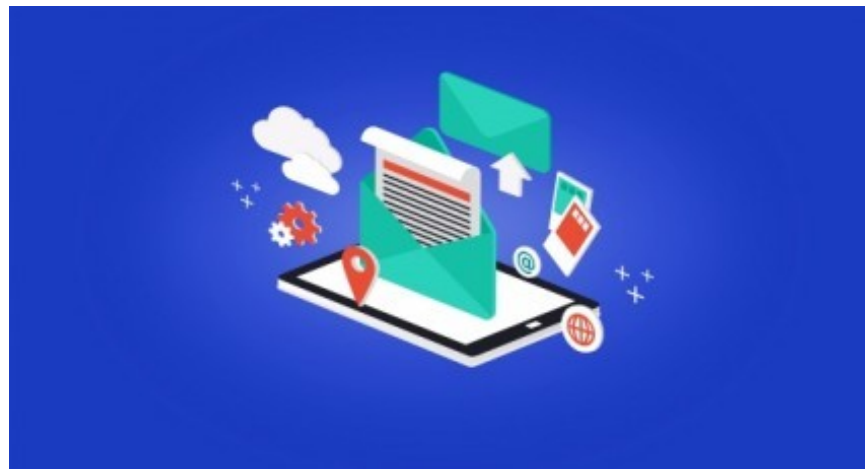

## **Alternate Delegate's Report**

One of my fun responsibilities as Alternate Delegate is to be our Area's Forum Coordinator. I was so excited when June's copy of *The Forum* came out to see we had two contributions from Georgia members, and one of them is an Alateen! *The Forum* is such a valuable resource not only for me as an individual, but also for groups I attend, in helping to provide meeting topics and having older copies available to give to newcomers.

We now have a 'Let's Forum' tri-panel display at Assembly with lots of great information on sending in shares, getting subscriptions, and encouraging others to purchase subscriptions. If you aren't able to attend assembly and are interested in any information about *The Forum*, please email me at [alt-delegate@ga-al-anon.org](mailto:alt-delegate@ga-al-anon.org). One great suggestion on the display that came from an Area Highlights newsletter, was to pass a can around for loose change in your home group. When \$11 is collected, have a name drawing from group members, and that person wins a subscription to *The Forum*. Everyone please encourage your groups to purchase a subscription if they have not already, since complimentary copies are no longer being sent out to groups by WSO. Georgia has had a decline in paid subscriptions recently, down from 528 in June of 2015 to 496 in March of 2016. That is a decrease in 32 subscriptions and this amount includes electronic subscriptions and any groups that purchased their own subscriptions in March. Let's see if we can get that number up by 10% before November. That is 50 new Forum subscriptions. If one group out of every six orders a subscription--we can do it! Also, as a fun way to encourage additional subscriptions to *The Forum*, anyone bringing in a personal subscription copy of a recent Forum to the registration table at Assemblies, will get a gold star to wear on your permanent name badge. Let's all try to become 'Forum Stars' by the end of this panel!

Love in service,

Barbara T.  
Alternate Delegate,  
Panel 56

## **Treasurer's Report**

Hello My Al-Anon Family~

It has been an interesting first half of the year in my new position as your Area Treasurer. I have learned so much and am settling down to a regular routine in my new service position. Every month so far I have learned something new and I figure by the end of my term I may have this down to a science. At least that is the hope.

As the summer flies by and we head quickly toward our September Assembly; the 2017 budget is already starting to become a reality. With the generosity of our members we have continued to grow in the Area. I recently came across this ~

*The idea of self-support found in Tradition Seven is essential to Al-Anon. It works within our personal lives and it works within our groups, Areas, and world service. Although there are no dues or fees for membership, Al-Anon is a self-supporting program. Because we accept no outside funding, as members we are asked to participate in supporting our own groups as well as Al-Anon world services by contributing what we can.*

Thank you for the opportunity to serve, the encouragement I receive from you all monthly and the gifts of Al-Anon I receive every day.

A gentle reminder, all contributions can be mailed to:

## **SERVICE CORNER:**

### **Joyous from Trusting the God of My Understanding**

#### **From Our Area Chairperson**

Trusting the God of my understanding---

My Dad died unexpectedly on June 21st, a few weeks ago.  
My Dad was diagnosed on June 15th with bladder cancer.  
My Daddy was heading down a path of multiple tests and chemotherapy.  
My Daddy was 87 years old and I suspect that the treatment would kill him....

### **From Our Chairperson (continued)**

Although Daddy never had heart problems, Daddy died that Tuesday night of a massive heart attack. God in his loving grace and mercy spared my Daddy of additional pain, tests, treatments, and life changes that inevitably were to come.

How can I be joyful when my heart is heavy and when I feel sorrow?

Joy is not the word I would use to describe this feeling. A better word is peace. I already miss Daddy, but I am at peace with God's plan for Daddy and trust His plan for me and my family. Thank you to those of you who have taken time to reach out to me during this time of sorrow.

Cathy O.  
Chairperson, Panel 56

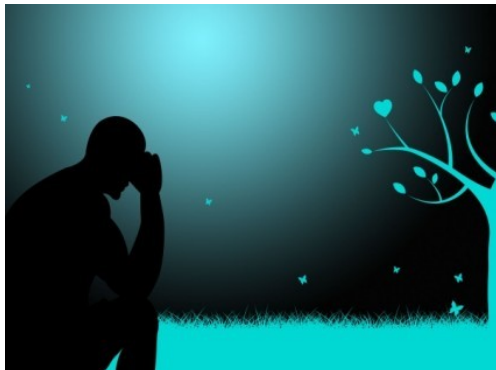

### **From Our Area Secretary**

To My Al-Anon Family,

"Joyous from Trusting the God of Your Understanding"

The Joy I receive from trusting the God of my understanding is immense!

When I arrived at my first Al-Anon meeting I did not trust one soul in my life. I had kept so much to myself, not trusting anyone with my dilemma. I made my bed and I had to lie in it. That's what I thought then. You taught me so much more and I am forever grateful for this program.

I had no idea that I could rely on a Higher Power. I was the higher power in my home. What a job it was too. My life was so unmanageable. Can you even imagine trying to do the work of your Higher Power all by yourself?

### **From Our Area Secretary (continued)**

I was so exhausted and confused with my situation as I sat in that first meeting. I did as they say. I kept going back. One day I heard the slogan “Let Go and Let God” and I thought to myself that it was the best thing I had ever heard. Let God! Why had I not thought of that myself?

As I started to get in touch through prayer and meditation, I began to have a love and yearning for the God of my understanding. Today, I am so dependent on his guidance.

Asking for his will, not mine, has helped me devote my time to things in my life that I truly enjoy, with a freedom I had never known before.

With Love and Gratitude,

Kathy White  
Area Secretary

### **From Our Newsletter Coordinator**

I have to admit, joy isn't a feeling I experience often. It sneaks up on me when I do feel it and it surprises me. After years of Al-anon experience, I can still struggle to trust my Higher Power in certain areas of my life. Of course when I reach that point of admitting things aren't working well and my life is unmanageable once again, I start making the Gratitude Lists my sponsor reminds me to make.

This spring I found myself feeling like my program was stale. I wasn't enjoying meetings like I used to. I felt like I just wasn't making progress in areas of my life that continue to give me trouble. I wondered if Al-anon was still the place for me. So, I not only started making Gratitude Lists, but I began going back and writing responses to questions related to Steps 1-3 in my daily journaling. This reflective practice prompted me to recall all the times my Higher Power has shown up for me when I “Let go and let God.” I noticed a couple of patterns. First, I noticed that I still have a tendency to want “big” moments and that I think I won't experience joy unless a moment is “big.” Second I realized that serenity came when I quietly went about doing the small things my Al-anon friends taught me to do, like go to meetings, call someone when I get upset, journal about my feelings, and practice staying in the present moment. Letting go of expectations about how things turn out while practicing unconditional acceptance has brought me unexpected joy. I am grateful for a Higher Power that helps me remember how to get my life back on track. I am grateful for the Al-anon program which gave me the tools to open up my heart and my mind.

Wishing you all Joy and Peace,  
Anne M., Newsletter Coordinator

## AREA COORDINATORS REPORT

### AAPP Report

Well...a milestone has been reached and overcome. It feels GREAT to have the Al-Anon Members Involved in Alateen Service (AMIAS) recertification completed. There are 62 active AMIAS and 17 active Alateen groups in Georgia.

I would like to encourage those AMIAS who are not currently sponsoring or co-sponsoring a group to set goals for yourself and your Al-Anon groups to help us all focus on "Growing Alateen in Georgia". Without an AMIAS, Alateens cannot have a meeting. Make announcements in your Al-Anon groups to encourage Alateen attendance. If there is not an Alateen meeting close by...consider starting one. If there is one close by...cheer them on by letting Al-Anon members know there is a program for their teenagers. Family recovery plays an important role in unity, understanding, support, sense of belonging, and unconditional love. Training for becoming an AMIAS is currently offered at each Area Assembly and can be arranged at other times when there is a need. Please contact me if you have any questions or concerns.

Love in Al-Anon/Alateen Service,

Cynthia  
Area Alateen Processing Person (AAPP)

Congratulations to all certified AMAIS

## **Alateen Coordinator's Report**

Hello Area II,

As your Area Alateen Coordinator, I attended and survived my first GA Alateen Conference! Area II recently hosted our 17<sup>th</sup> Alateen Conference held at Rock Eagle in Eatonton, GA. We had a record number of teens and what's even more amazing is the number of teens that preregistered! I'd like to personally thank all of you, your groups, and districts that so gratefully contributed to help make this conference a success. Special thanks to Thomas E for chairing, his committee, the attending AMIAS and especially the teens! Together We Can Make It!

On June 9<sup>th</sup>, I participated in my 2<sup>nd</sup> Area Alateen Coordinator's conference call with the WSO. Topics discussed were the results of the recent Alateen survey, the Power Point Alateen training modules and the Alateen service e-manual. I was provided a lot of useful data and am now processing all the information received (with the help of my H.P!).

Cynthia S (AAPP) and I have been reviewing our existing AMIAS handbook looking for conciseness, consistency, correctness, and completeness (the 4 Cs!). We hope to have this task completed within the next two weeks. One item being looked at is the training of prospective AMIAS. Currently, Assemblies are the only times AMIAS training is regularly offered (3x per year). Under consideration is the option to offer it more frequently (i.e. monthly) via phone conferencing and screen share technology for the Power Point presentation. This would eliminate prospective AMIAS from having to travel to Macon for training. Unless these prospective AMIAS are already planning to attend Assembly, trying to schedule time for travel and attendance can be quite challenging. Those attending Assemblies routinely (i.e. GRs, DR, Coordinators and Officers) would have that same option available to them. This way they would not have to choose between attending an offered workshop and AMIAS training.

Stay tuned for further updates!

Hope to see you all at our convention in Savannah!

Love in Service,  
Lauren M  
Area Alateen Coordinator

## **Archivist Report**

Greetings AI-Anons:

DRs and Workshop leaders, I am open to providing access to Archives for Assembly and District Events. Please contact me as soon as you have an inkling that you might be interested in Area artifacts for your event.

## **Archivist Report (continued)**

I am continuing to update the list of Motions for our Archive Booklet as well as working on making the Motions List searchable. We have a lot of stuff stored at the Area Office and it is my goal to start archiving most of it in a digital format so that it is accessible to the fellowship. I hope to have research complete on DAM- O (Digital Asset Management Options) before the end of the year.

With Love and Gratitude in Service,  
Marie Neese  
Archivist  
Panel 56

## **Group Records Coordinator's Report**

I believe that the key to successful AI-Anon service is FUN! If I'm not having fun in service then the answer to the question "Is the juice worth the squeeze?" will be no.

So, here's my GRC challenge, to whoever reads this and asks me in person, I will give a piece of chocolate.

Happy serving!  
Patrick B. - Group Records Coordinator

## **Literature Coordinator's Report**

Here's hoping you're having a Happy, Joyous, and Free Summer.

We had a great time in the Literature Room at the January Assembly and we sold a bunch of AI-Anon literature to boot. Thanks for your purchases - keep coming back.

I'd like to highlight a few great literature items for your consideration. P-24, Groups at Work, is the first 78 pages of our Service Manual. It tells you about the AI-Anon structure, how to run a meeting, and how to form and keep healthy groups. It's a great bargain for a dollar. Some groups choose to give every group member a copy. M-80, Alateen Table Card, is a way your group can support and promote Alateen. It says, "Has AI-Anon helped you? Wouldn't you want to give that gift to a child?" What a powerful message. You could display in your group, in an AA group, or in your clubhouse or meeting space. M-75, AI-Anon Legacy Posters, are 4 full size display posters containing the Steps, Traditions, Concepts, and Warranties. P-5, Blueprint for Progress, is the original booklet for working your 4th Step inventory. It's a great companion to the newer, larger Blueprint for Progress Workbook. S-24, Focus/Declaration Table Card, is a new table card. It's a reminder to keep the focus on us by not bringing in outside references to our professions, religion, and other 12 step programs. Some groups ask someone to read it before every meeting.

### **Literature Coordinator's Report (continued)**

The currently featured publication on the WSO website is the book "In All Our Affairs - Making Crises Work For You". Chapter I, From Denial to Awareness, is presented in its entirety.

Coming in August will be the print copy of the 2016 World Service Conference Summary. It will also be available on the WSO members' website. Currently on the members' website are highlights of the 2016 World Conference Summary, including information on memorial gifts, changes of Concept II, Task Force Presentations, discussion of the Prayer for Today, and information on the 2018 Al-Anon International Convention in Baltimore.

WSO continues to seek your sharings for a number of future publications, including our New Daily Reader (working title), Intimacy in Alcoholic Relationships (working title), and Parents and Grandparents of Young Problem Drinkers (working title). You are also invited to send your sharings for the Forum, Alateen Talk, and Al-Anon Faces Alcoholism. Guidelines and suggestions are available on the WSO members' website.

If you are presenting a workshop at Assembly, and anticipate that it will generate interest in a particular piece of Conference-Approved Literature (CAL), please send me an email so that I can take that into consideration as I put together the literature order for Assembly.

I need some help; it's hard to admit, but true. In order to help the Literature Room run more smoothly and speed the time waiting to check out, I'm looking for a hardy soul or two to assist me during several fairly predictable rushes during breaks on Saturday afternoon. You'll primarily bag sold items, pre-sort orders for checkout, crack some jokes and SMILE. It's almost more fun than a barrel of monkeys. Feel free to call me at [404-633-6697](tel:404-633-6697) or email me at [philand123@comcast.net](mailto:philand123@comcast.net) if you're up for it.

See you in September. Remember, you will come to the Literature Room and you will buy. (subliminal message)

Regards,

### **Newsletter Coordinator's Report**

Greetings Area II! I would like to thank everyone who contributed to the Newsletter this month. Georgia On Track is a great way to share our experience, strength, and hope throughout Georgia. DRs please pass along the newsletter to your GRs and GRs, please share with your groups. Let's keep the links of service working!

In service,  
Anne M., Newsletter Coordinator

## **Public Outreach Coordinator's Report**

The Public Outreach Billboard Project that began in July 2015 has now reached Metro Atlanta, Augusta, and Columbus and is coming soon to Dalton. We have \$952 in current funds and will spend \$750 of those funds for the Dalton area when the space becomes available. We plan to continue the billboard project as long as funds are available for it. Districts, Groups and individuals have contributed. To make a contribution please send funds to the Area. You may write "public outreach" on the check indicating that your wish is for the funds to be used for public outreach.

As the new Public Outreach Chair, I am in the process of finalizing our committee. If you have a passion for public outreach, please contact me. We have one spot left on the committee. My vision for this panel is to build on the community reach we have gained from the billboards and extend that reach to the professional community.

DR's, please ask your districts and groups what opportunities are available in your districts to reach therapists, psychologists, law enforcement, DFCS, private treatment programs and centers. If there are any additional projects that Districts would like to see for this year and term, please email me and let's see how we can keep the momentum going to spread the message of recovery to those in need.

Thank you,

Lys H., Public Outreach Coordinator

## **DISTRICT REPORTS-AREA 11**

### **District One**

District I had its 7th annual picnic on July 09, 2016, and it was a success. We invited AA to participate in the form of a speaker, as well as our Al-anon speaker. It was a wonderful opportunity to get to know others in the recovery community and reach those who need help.

We raffled off "recovery-themed" gift baskets and held an Ask It panel which we called "Everything you Always Wanted to Know about Al-anon but were Afraid to Ask". That provided a great outreach opportunity since families were invited to attend.

Our district outreach person, Lyn D. also played comedienne by telling a few jokes along with the announcements. It was great to see our hard work in organizing this picnic come together so well.

In Service,  
Romelia R., District I

## **District Three**

District Three has really been working hard on preparing for this year's Convention. We've had a fabulous group of Al-Anons working on Craft Days, making jewelry, sun catchers, book markers, book covers and many other things to sell at the Boutique. We've had lots of fun getting together for our Craft Days, and the results are fabulous. Come to the Convention and see the results at the Boutique.

We have also started a new Alateen Meeting in District Three. The new Alateen group meets at the Lutheran Church of the Redeemer on Wilmington Island every Thursday at 5:00 p.m. We are glad to welcome this new group to the Savannah area.

In Service,

Kristin L, District 3

## **District Ten**

Our brand new group "Subject to Change" which meets on Sunday nights in Stone Mountain now has a GR. Thanks to Richard T. for making this commitment to our new group! Also if you get a chance stop on by and visit them, it is a great group that is doing well!

We had our first district meeting for the new panel on April 30th with great success! We had record attendance at our meeting, filled almost all of our service positions and started putting a committee together to work on organizing a district event to be held sometime this year! We could still use a leader to oversee this project as well as welcome anyone else that would like to help with this event just see Donna M.(DR) or Vanessa B.(Alt. DR).

Thank you,  
Donna M., District 10

## **District Thirteen**

### **District Seventeen**

Hello to all! District 17 is having a quiet summer. We take June & July off due to everyone's hectic summer schedules. Children, Grandbabies, travel & vacations keep us quite busy! Three of us from Rome Downtown, AFG carpooled to Woodstock on Thursday, July 30th. Serenity at 7, AFG held their 5th Thurs of the month covered dish/speaker mtg. We were blessed to hear Margaret (an "ol'timer") share her story. They had a great turnout &, as always, marvelous food. Treat yourself and come to their next one on Thurs Sept. 29th. Eat 6:30p, speaker 7p.

My e-mail for group news had one responder. So, thank you to Marcie L., new GR for Keep It Simple, AFG in Rome!! Here is her group news:

It has been a great year for the "Keep it Simple" Al-Anon Family Group. We are growing in every way--many new individuals have visited our group, all have grown in the program, and we have grown in group conscience as well. Recently, we had an inventory of our group by conducting a "group conscience meeting." It was a good time of reflection, and a great time for growth for our family group. We, as a group, were all in agreement that this practice is good periodically to be sure we are serving and growing the Al-Anon way.

Also, as GR, I attended the Assembly in Macon. It was great to see Al-Anon thriving all over Georgia. We are hoping to continue to support other groups, A.A., and Alateen as we continue forward for the rest of the year.

Remember--"Keep Coming Back, it Works if you Work It."

Respectfully submitted,

Marcie L., GR: Keep it Simple

I am looking forward to seeing everyone soon!

In service, with blessings,

Diane K

## **District Twenty**

Our district enjoyed an awesome District meeting prior to the last Assembly. The meeting was hosted by a group which had not previously been active at the District level. We are so glad to be able to meet with new members of our District. Our Public Outreach Person led a workshop in which she presented a variety of Al-Anon pamphlets related to Public Outreach. The District then decided that we would work together to make Al-Anon visible in our District by attending and setting up a booth at the various local festivals in the towns of our District beginning in 2017. Our theme will be "Let Al-Anon be seen in 2017." One teen and one AMIAS from our district attended the Alateen conference in June. Our district also had a voting Alateen GR at the last Assembly for the first time in years. Groups in the area are doing well and new meetings are being added. We look forward to working with District 7 in September to help with Registration at Assembly. We are hoping for a hug from each of you!

Alecia C., District 20 DR

## **District Twenty-One**

District 21 is enjoying a quiet summer so far. We will be meeting as a District again in September. At that time we will be planning a different kind of "get together" after the first of the year. Be on the look out for details and invitations to join us.

Several of our members, including myself, are looking forward to *Surrendering in Savannah* in a few weeks.

Prayers to all for a safe rest of the summer.

Love in Service,  
Lucille S., District 21 DR
